7 THE COURT: Good morning, everyone. This is
8 Judge Watson. I have my court reporter with me. If you'd like
9 to speak, please state your name and who you represent before
10 you speak.
11

12 The purpose of the call is to follow up Ohio State's
13 notice of intent to establish and now I believe they have
14 established an individual settlement program as per their
15 filing docket number 150 in the 736 case filed May 3rd of 2021.
16 After the notice was filed, some of the plaintiffs filed a
17 response. I reviewed both.
18

19 Don't use the Court's docket for PR purposes. Both
20 sides have been guilty of it from one time or another. I don't
21 want to detract from the importance of the settlement program
22 that Ohio State has set up. I think it's a good thing.
23

24 My understanding is it runs for 120 days. So if it
25 began last Friday on May the 7th, then I would suggest that it
probably ends on September 7th.
26

27 The Court will be issuing its ruling on the pending
28 motions to dismiss no later than the end of September of 2021.
29 I understand that some of the plaintiffs would have preferred
30 an earlier decision on those motions but it's been my goal from
31 the outset to try to resolve as many of these claims as
32

1 possible through settlement. Any Plaintiff wishing to settle
2 before that decision is issued should keep the end of September
3 in mind and be guided accordingly.

4 At this point, I don't see any need for oral argument on
5 the pending motions to dismiss. If that should change for any
6 reason, I'll let you know.

7 Is there anything else on behalf of counsel for the
8 plaintiffs or for the defense? Hearing none, I believe that
9 will be all and I appreciate your attention to these matters
10 and I encourage settlement early and often, folks. That will
11 be all. Thanks.
